## **Lane Closure on IL 47 over Eaton Creek**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on the structure that carries Illinois 47 over Eaton Creek, in Pingree Grove, beginning, weather permitting, March 20. The closures are necessary in order to replace a box culvert.

In order to complete the repairs, Illinois 47 will be reduced to one lane over Eaton Creek between Reinking Road and Big Timber Road. Flaggers and temporary traffic signals will allow traffic to pass through the work zone in alternating directions.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
